

Meeting State and National Content and Education Standards

National and State Standards

Successfully integrated into schools, the RER event and its pre and post activities address numerous state and national standards including:

- Arts (Art connections, Music, Dance, Theater, Visual Arts)
- Behavioral studies
- Civics
- History (K-4 History, Historical Understanding, U.S History)
- Language Arts (Reading, Listening, Speaking, Viewing)
- Lifeskills (Self Appraisal, Thinking and Reasoning, Working With Others)
- Technology

Based on Mid-continent Research for Education and Learning, The Standards Project

Youth Developmental Assets

- Support
- Empowerment
- Boundaries and Expectations
- Positive Values
- Social Skills
- Positive Identity

Based on Developmental Assets™ is based on research from Search Institute www.search-institute.org
